

Intent to Apply: Step 1 in Applying to a Magnet or Application Program, 2021-2022

The Intent to Apply application in the Parent Cloud allows parents/guardians to select the programs their students may be interested in applying to for the 2021-2022 school year.

Key information is provided for each program, such as requirements, a link to the application, and the deadline.

Recommendations can also be submitted through the Intent to Apply application and the results will be available to all programs selected.

⇒ Log into the Parent Cloud: <https://my.austinisd.org/LoginPolicy.jsp>. This can be done on a computer or on a phone using the AISD App.

The image is a screenshot of a web browser displaying the Austin ISD Parent Cloud login interface. At the top, there is a header with a blue person icon and the text "Log in to Austin ISD". Below this is the Austin ISD logo, which features a red apple with a green leaf and the word "AUSTIN" in large red letters, with "Independent School District" in smaller black text underneath. The main content area contains a login form with two input fields: "Username:" and "Password:". Below the password field is a blue "Log In" button. Underneath the login button is a grey button labeled "ESPAÑOL". Further down, there are several links: "Parent Cloud Account Creation" (with a sub-link "-Account Creation Instructions"), "Forgot Username", "Forgot Password/Password Reset", and "System Check". At the bottom of the page, there is a small copyright notice: "© Stoneware, Inc. 1999-2020".

Users can create a Parent Cloud account or reset username/password if necessary.

If you need assistance, please call Parent Cloud Support at 512-414-9187.

⇒ Once in the Parent Cloud, search for the Intent to Apply application.
